LOGLINE

When a Tony-winning actor's career-ending anxiety forces him to run a summer theater program, a confrontation with a gifted but rebellious student forces him to face his demons and rediscover his passion – while an unexpected romance with a widowed theater critic teaches him that sometimes life's greatest performances happen off-stage.

THE SERIES

Set in a summer theatre program in the Berkshires, THE FINAL ACT follows Marcus Sterling, a former Broadway star whose mental-health crisis moved him from the stage to the classroom. When a group of talented teenagers challenges his carefully built facade, Marcus has to learn to be authentic as a teacher and as a person.

Each season builds to a major theatrical production, mixing teenage discovery and middle-age reinvention.

Audience

Adults 25 to 54 who love the arts, theatre and premium drama.
